

End-User License Agreement (EULA) of Mobility Kits decoders

This End-User License Agreement ("EULA") is a legal agreement between you and Valeo. This EULA agreement governs your acquisition and use of our Mobility Kits decoder software ("Software") either directly from Valeo or indirectly through a Valeo authorized reseller or distributor.

PLEASE READ THIS EULA AGREEMENT CAREFULLY BEFORE COMPLETING THE INSTALLATION PROCESS AND USE OF THE MOBILITY KITS DECODER SOFTWARE. IT PROVIDES A LICENSE TO USE THE MOBILITY KITS DECODERS SOFTWARE AND CONTAINS WARRANTY AND LIABILITY DISCLAIMERS.

If for some reason a loan of the Mobility Kits was agreed, this EULA agreement will also govern that loan. By signing this document, you are confirming your acceptance of the Software and agreeing to become bound by the terms of this EULA agreement.

If you are entering into this EULA agreement on behalf of a company or other legal entity, you represent that you have the authority to bind such entity to these terms and conditions. If you do not have such authority or if you do not agree with the terms and conditions of this EULA agreement, do not install or use the Software, and you must not accept this EULA agreement.

This EULA agreement shall apply only to the Software. The terms also apply to any Valeo updates, supplements, Internet-based services, and support services for the Software, unless other terms accompany those items on delivery. If so, those terms apply.

License Grant decoders EULA

Valeo hereby grants you a limited non-exclusive licence to use the Software on any of your terminal devices under your control (for example a PC, laptop, mobile or tablet) for your internal business purposes only in accordance with the terms of this EULA agreement. You may use the Software for the number of Mobility Toolkits that you have purchased. You are permitted to transfer the Software only together with this license and only as part of a transaction related to the transfer of the Mobility Kits to a third party. You may modify the Software in order to adjust the source code to your own needs in relation with the use of the Mobility Kits.

The Software will be provided to you in a source code version. You will be obliged to compile the Software into an executable copy before installing and using the Software on any of your devices. You are not permitted to:

- Publish or otherwise disclose or make available the Software to third parties for any commercial or non-commercial purpose, except as expressly authorized hereunder by Valeo
- Use the Software for any other purpose than in relation with the use of the Mobility Kits

- Use the Software in any way which breaches any applicable local, national or international law

The Software is provided without any adjacent obligations or undertakings on behalf of Valeo, such as, without limitation, installation, maintenance, training, or support with respect to the Software.

Intellectual Property and Ownership

Valeo shall at all times retain ownership of the Software including the copyright and other intellectual property rights of whatever nature that are vested in the Software. Accordingly Valeo reserves the right to grant licences to use the Software to third parties.

Termination

This EULA agreement shall continue until terminated in accordance with the provisions below.

You may terminate the EULA agreement at any time upon written notice to Valeo.

Valeo may terminate the EULA agreement upon written notice if you fail to comply with any term of this EULA agreement.

Upon such termination, the licenses granted by this EULA agreement will immediately terminate and you agree to stop all access and use of the Software. At the request of Valeo, you will certify that you have disinstalled and removed the Software from your devices.

The provisions that by their nature continue and survive will survive any termination of this EULA agreement.

Limited warranty and liability

Valeo warrants that it has the right and authority to grant the license under this EULA. Valeo will defend or, at its option, settle any action against you based upon a claim that your use of the Software infringes any patent, copyright or other intellectual property right of a third party, and will indemnify you against any amounts that may have been awarded against you as a result of the claim, provided Valeo has been promptly notified of the claim and has full control of its defense or settlement.

You recognize and acknowledge that the Software is a prototype software only. As such, the Software is not intended for industrial or commercial use, but only for use in a test environment. You remain fully responsible to test and assess if the Software is

usable for automated driving systems in the test environment that you intend to set up.

THE SOFTWARE IS PROVIDED "AS IS", WITHOUT WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTY THAT THE SOFTWARE IS FREE OF DEFECTS, MERCHANTABLE OR FIT FOR A PARTICULAR PURPOSE. NO WARRANTY IS GIVEN THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT THE RESULTS OBTAINED FROM THE USE OF THE SOFTWARE WILL BE ADEQUATE OR ACCURATE. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY VALEO SHALL CREATE ANY WARRANTY IN ADDITION TO, OR IN ANY WAY INCREASE THE SCOPE OF, THE LIMITED WARRANTY.

IN NO EVENT WILL VALEO BE LIABLE FOR ANY DIRECT, INDIRECT OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOST PROFITS, LOSS OF GOODWILL, WORK STOPPAGE, COMPUTER FAILURE OR MALFUNCTION, OR ANY AND ALL OTHER DAMAGES OR LOSSES, EVEN IF ADVISED OF THE POSSIBILITY THEREOF.

Governing Law

This EULA agreement, and any dispute arising out of or in connection with this EULA agreement, shall be governed by and construed in accordance with the French law. Any dispute arising in connection with or out of the performance or the interpretation of this Agreement shall be finally settled before the Paris Commercial courts, France.

The Parties agree that any violation of any terms of this Agreement will cause immediate and irreparable harm to the other Party. Therefore and, notwithstanding the above and without prejudice to the rights and remedies otherwise available, a Party shall be entitled to equitable relief by way of injunction or other urgent proceeding in the event that the other Party breaches or threatens to breach any of the provisions of this Agreement before the competent courts.
